DIRECTORY ASSISTANCE SERVICE

1. Local Directory Assistance

a. General

Local Directory Assistance Service is furnished upon customer request for assistance in determining telephone numbers. The regulations and rates set forth below apply when customers request assistance in determining telephone numbers with the same Numbering Plan Area designation, which are requested from the Pennsylvania Directory Assistance attendant in the originating Numbering Plan Area.

b. Regulations

(1) Monthly Call Allowance

An allowance of two (2) direct dialed Local Directory Assistance calls per month without charge is permitted for each: residence exchange service line, residence dormitory line and residence trunk line. Call allowances or calls are not transferable between separate accounts of the same customer.

The Company may apply a charge, not to exceed \$0.75, on any Local Directory Assistance calls originating from pay telephones.

(2) Exemptions

Charges for Local Directory Assistance Service are not applicable to the following types of calls to Local Directory Assistance:

a. Calls from patients in hospitals, skilled nursing homes and convalescent homes which have been properly licensed by the Commonwealth of Pennsylvania and which have as their predominant undertaking the surgical, medical and nursing care of the sick and disabled.

b. Calls placed from residence telephones where a member of the customer's household has been certified by a registered physician or a designated agency as unable to use a directory because of a visual or physical handicap, or for the business telephone of a certified handicapped customer where assistance is otherwise not available.

(3) Multiple Number Request

A maximum of two requested telephone numbers per call are permitted.
